

# Rail and Sail Newport

Welcome aboard! Step back in time when dining

aboard a luxury train was a statement of elegance and privilege. Enjoy the experience of Rhode Island's only moving Dining Train for a sentimental journey along scenic Narragansett Bay. The train departs campus at noon sharp, from down the path to the beach, and serves us an elegant lunch as we wind our way to Newport. The interior of each dining car is meticulously restored to bring back the Golden Age of

Railroading. Once in town, it is a short walk to Bowen's Wharf where we board the elegant 85 ft. yacht, *Harbor Queen*, and discover the beauty of the Narragansett Bay from the water. Afterward, we return to campus on a touring train. Lunch entrée selection must be indicated on the conference reply form.
